Competition Licence Notes - 2022

Off Road Disciplines

A Competition Licence (or Registration in the case of Trials) is required by every rider and passenger participating in any competition held under the National Sporting Code of the ACU. It is the responsibility of the competitor, or in the case of minors the parent or persons with parental responsibility, to ensure that their licence is valid and issued for the correct class. The issuing of a licence does not guarantee an entry into, or acceptance into, any competition. All licences are valid from 1 January to 31 December of the year of issue. Licence fees are non-refundable. Duplicate ACU licences can be obtained on request at a cost of £5.

Duplicate FIM and FIM Europe licences can be obtained through the ACU.

The FIM Anti-Doping Code came into force on 1st July 2004. Regulatory bodies from all sports have a duty to ensure they comply with the FIM and WADA's aims of promoting all aspects of anti-doping. By signing the "**Acknowledgement and Agreement of the FIM Anti-Doping Code**" you agree to comply with, and be bound by, all parts of the FIM Anti-Doping Code. The Code can be viewed on the FIM website, www.fim.ch under publications - Rules and Codes.

If you have a medical condition, for which you are on any regular tablets or injections, then you must check that your medication is not within the World Anti-Doping Agency (WADA) prohibited classes of substances and prohibited methods. If in doubt, ask your own doctor or pharmacist or consult the Anti-Doping section of the WADA website on www.wada-ama.org

If your medication is banned and you are applying for an **FIM World Championship or Prize Event** licence then you will need to submit a **Therapeutic Use Exemption (TUE)** form with your licence application. TUE form can be downloaded from the WADA website www.wada-ama.org or is available on request from the ACU. When completed, the TUE form needs to be forwarded to us for processing. Any licence holder taking a banned substance will have to submit a TUE form at the time of testing, should that ever happen. Further information can be found on the ACU website www.acu.org.uk under *Medical Matters*.
